

7th International Symposium on Hydraulic Structures Aachen/Germany, 15 to 18 May 2018

Copyright Transfer Agreement

7th International Symposium on Hydraulic Structures

Between
University Library at Utah State University
and

Author(s) – Names, postal addresses, and email addresses of all authors

Manuscript Title: _____

Preamble

The University Library at Utah State University has agreed with the Organizing Committees of the 7th International Symposium on Hydraulic Structures (ISHS2018) to publish and make available online the papers presented at ISHS2018.

And

The University requires the permission of the copyright holders of papers presented at ISHS2018 to enable it to publish and make those papers available online.

Therefore, it is agreed between the Parties:

1. Definitions

These terms have the following defined meaning wherever used in this Agreement:

“ISHS2018” shall mean 7th International Symposium on Hydraulic Structures (ISHS2018);

“The Library” shall mean Utah State University, University Libraries;

“The University” shall mean Utah State University;

“The Author” shall mean the named author whose details are set out in Schedule 1;

“The Work” shall mean the symposium paper detailed in Schedule 1;

“Digital Commons” shall mean the University’s online repository of its research and scholarly output;

2. License is Granted

- a. The Author grants to the University an irrevocable license to publish and make the Work available online through Digital Commons;
- b. The Author agrees that the Work shall be made available to users through Digital Commons pursuant to a Creative Commons Attribution-NonCommercial CC BY 4.0 License.

7th International Symposium on Hydraulic Structures Aachen/Germany, 15 to 18 May 2018

- c. In consideration for making the Work available through Digital Commons, The University accepts the License set out in this Agreement.

3. *Place of First Publication*

Digital Commons will be the place of first publication of the Work and will assign a Digital Object Identifier (DOI) and an ISBN number to assist in enhancing the visibility and discoverability of the Work.

4. *Preservation of Author Rights*

Notwithstanding the rights granted to it in this Agreement, the University agrees that the Author has the right to publicly archive their revised, peer-reviewed personal version of their publications on their institutional website and their personal website, provided in all cases a link to the Work on Digital Commons is included.

5. *Author warranties*

The Author warrants that:

- (a) the Work is original, has been written by the Author, and is not encumbered or subject to any existing license;
- (b) the Work is not under consideration by any other publisher;
- (c) the Work does not infringe the rights, including copyright, of any third-party;
- (d) to the best of the Author's knowledge the Work contains no defamatory or other unlawful statements;
- (e) all co-author(s) have consented to the Author entering into this Agreement with the University.

6. *Indemnity*

The Author indemnifies the University against any and all claims, demands, losses, damages and costs that the University incurs or may incur as a result of a breach by the Author of the Author's obligations and warranties contained in this Agreement.

7. *Applicable Law*

This Agreement is governed by the laws of the United States, and the Author submits to the jurisdiction of the courts of that jurisdiction.

8. *Amendments*

This Agreement may not be varied except in writing signed by all the Author(s) and The University.

9. *Severability*

If any provision of this Agreement is held by a court to be unlawful, invalid or unenforceable it is to be severed so that the validity and enforceability of the remaining provisions are not affected.

10. *Exceptions (please indicate if a statement below applies to you):*

- U.S. GOVERNMENT EMPLOYEES: Work prepared by U.S. Government employees in their official capacities is not subject to copyright in the United States.
- U.S. GOVERNMENT CONTRACTORS: Work prepared by authors under a contract for the U.S. Government (e.g., U.S. Government labs) may or may not be subject to copyright transfer. Authors must refer to contractor agreement.
